To whom it may concern:

Please accept this letter as my personal and professional recommendation of a partnership with ClearTouch. We have been working with ClearTouch for approximately four years. Most recently the district purchased 328 panels for our PK-8<sup>th</sup> grade classrooms which included installation and training.

ClearTouch stood out amongst other vendors from the early stages of discussions through the demonstration and delivery to help us plan and execute the project. We were happy with the commitment the ClearTouch team showed to meet the delivery, install and training timelines.

We will continue to do business with ClearTouch for our interactive display needs.
